CORE VALUE #2:

A GROWING RELATIONSHIP WITH ONE ANOTHER

Like most churches we believe the teaching of God's word and prayer is essential. Unlike many churches, we also emphasize genuine fellowship, not just casual and superficial gatherings. It is about growing together in love. Our relationships with others impact our relationship with God, "If someone says, 'I love God,' and hates his brother, he is a liar; for he who does not love his brother whom he has seen, how can he love God whom he has not seen? And this commandment we have from Him: that he who loves God must love his brother also" (1 John 4:20-21).

Today's church culture is often individualistic and no longer identified by specific communities or neighborhoods. It takes an intentional effort to build relationships with one another. One way that we hope to foster growing relationships is by sharing a meal together as a congregation each Sunday. We welcome any guests to join us as well, which gives them an opportunity to begin to develop relationships with others in the church.
